

## BASICS OF WORKING IN YOUR PATH

There are some important things to know as you begin your path.

### Levels and Project Completion Order

Pathways is designed to be completed sequentially by level, starting with Level 1 and ending with Level 5; Each level builds on the previous one. Projects in subsequent levels cannot be accessed until you have completed the previous level.

Level	Project Completion Order
1	You must begin with the <i>Ice Breaker</i> . You can work on the other projects in this level in any order.
2, 3, 4	Once each level is reached, you can work on the projects in the level in any order.
5	Once you are in the final for your path, you can work on the first two projects in any order. You must complete the <i>Reflect on your Path</i> project last.

**Level 1 Projects** – The projects in this level are the same for all paths.

Once all projects in a level have been completed, submit the Level Completion request. The Base Camp Manager must approve this before you can begin the next level. To receive the education award after completing a level, (and for it to show in your club's DCP), the award must be submitted in Club Central by your VPE or other club officer.

**NOTE:** Let your VPE know if you prefer to have your Level award submitted in Club Central at another time or submitted through another club.
